HOW TO USE THE STREETCAR

① Be sure the streetcar is going to your destination.
You can identify the destination of a streetcar by the route number and the sign located in front of the streetcar.

② Get on the streetcar through the door marked "ENTRANCE". (Pay the fare when you get off.)

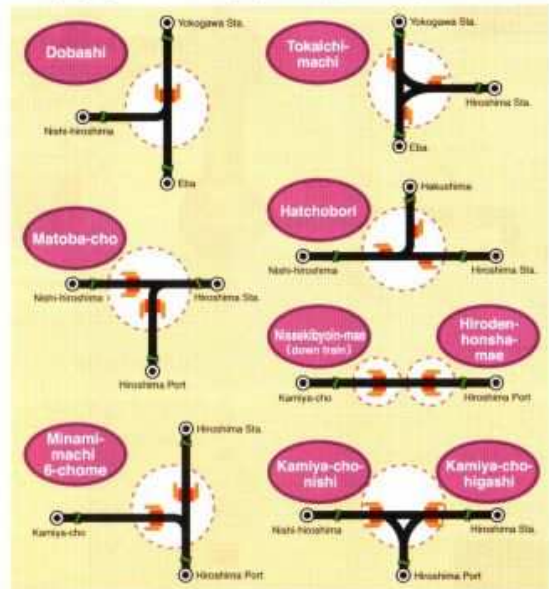

③ To signal the driver to stop at your destination, push one of the buttons located throughout the streetcar. Push the button before the streetcar arrives at your destination.

④ Put the fare in the fare box located next to the driver or give it to the conductor. Get off through the door marked "EXIT". The flat fare for inner city travel is 150yen. The fare for travel on Miyajima bound streetcars varies.

HOW TO TRANSFER

- Transfers can be made from one streetcar to another. Transfers must be made within 30 min. from getting off the initial streetcar.
- ① Be sure that you are at a transfer stop. Tell the driver your destination and pay the fare when you get off the streetcar. The driver will give you a "Transfer Card" when you pay the fare.
- ② Insert the "Transfer Card" into the slot located on the fare box.
- ③ When you transfer to the second streetcar, insert the "Transfer Card" into the slot located by the door marked "ENTRANCE"
- ④ Return the "Transfer Card" to the driver when you get off the streetcar.
- Passengers getting on the Hiroshima Line or getting off on the Miyajima Line must pay a transfer fee.
